**Council Chambers
206 E. Third St.**

1. **Welcome - Council President Jim Boland**
2. **Overview and Status of Strategic Plan – Gary J. Riedner**
In FY2016, the City Council adopted the current strategic plan. Since that time the document has helped to guide the City for the past three fiscal years. Staff will present an overview of the strategic planning process and the current status of the strategic plan, including progress made on major challenge areas and additional major challenge areas for City Council consideration in strategic plan update.
3. **Other Business**
