**2. Request Name Change Of East Gate Park To Triangle Park (ACTION
ITEM) - Dwight Curtis**

In August 2018, staff received a letter from 9 year old resident Ginny Saunders requesting the name of East Gate Park be changed to Triangle Park. The park is almost universally known as Triangle Park, so the change is both logical and will eliminate confusion. This request was reviewed by the Parks and Recreation Commission and recommended for approval.

PROPOSED ACTIONS: Recommend authorization to change the name of East Gate Park to Triangle Park, or provide staff further direction.

**3. Software License Agreement For An Advanced Alert Distributed
Reporting System (AADRS) Pilot Project (ACTION ITEM) - James Fry**

The City of Moscow wishes to provide a community that is safe, secure and a pleasant place to live and visit. The Moscow Police Department utilizes a community-oriented policing philosophy to improve the quality of life through community partnerships and problem solving approaches. Taking into account recent incidents of violence in schools and communities across the nation, including the tragedies our own community has encountered along with the threats of violence to our schools, the Moscow Police Department wish to find ways to be proactive with crime prevention by use of technology. To achieve this the Moscow Police Department would like to launch a pilot Advanced Alert Distributed Reporting System (AADRS) by entering into an

agreement with Kestrel Technology Group who possesses the expertise and the technology to administer a neighborhood watch type of program through the use of technology.

PROPOSED ACTIONS: Recommend approval of the software license agreement for an advanced alert distributed reporting system pilot project between Kestrel Technology Group and the City of Moscow, or provide staff with further direction.
