208.883.7015

**Monday
February 5, 2018**

7:00 PM

**Council Chambers
206 E. Third St.**

The Moscow Mayor, City Council and Staff welcome you to tonight's meeting. We appreciate and encourage public participation. For regular agenda items, an opportunity for public comment is sometimes provided after the staff report. However, the formality of procedures varies with the purpose and subject of the agenda item; therefore, the Mayor may exercise discretion in deciding when to allow public comment during the course of the proceedings and limitations may be placed on the time allowed for comments. Citizens wishing to comment on business that is not on the agenda will be provided the opportunity to do so during the public comment item on the agenda. If you plan to address the Council, you will find a list of "Tips for Addressing the Council" in the door pocket outside the City Council Chambers. Please note that Moscow City Council meetings are televised, videotaped and/or recorded. Thank you for your interest in City government.

Pledge of Allegiance

1. Consent Agenda

A. Approval of Moscow City Council January 16, 2018 Minutes – Laurie M. Hopkins

B. Mountain View Road, 6th to Joseph Street Design Agreement - Kevin Lilly

The Mountain View Road, 6th to Joseph Street Federal Aid Project is the next phase of the City's efforts to improve the full length of one of our most important arterial roadways. The project is being funded (92.66% federal aid/7.34% local match) through the Local Highway Technical Assistance Council's (LHTAC) Local Urban Program and will improve the road from an existing two lane rural section to a 36 ft.-wide urban section with sidewalks, curb and gutter, green strips, turn lanes where warranted, upgraded illumination, and a roundabout at the intersection of 6th and Mountain View.

The Concept Report for the project was prepared by JUB Engineering, Inc. (JUB) and was approved by the City Council on July 21, 2014. Since that time, the project has been delayed due to funding issues within the Local Urban program, but it is now on track for construction in FY2023 or FY2024 with \$2.6M allotted for construction. Right-of-way funding in the amount of \$102,000 will become available in FY2019 and the project is expected to be "shovel ready" by FY2021 should early funding become available.

The attached agreement to complete the roadway design, geotechnical studies, and environmental clearance has been negotiated with JUB in the amount of \$261,500.00. This item was reviewed and recommended for approval by Public Works/Finance Committee at the January 22, 2018 meeting.

PROPOSED ACTIONS: Approve the attached agreement with JUB Engineering, Inc. or take such other action deemed appropriate.

2. Staff Recognition Report - Gary J. Riedner

3. Mayors Appointments

4. Public Comment and Mayor's Response Period (limit 15 minutes)

5. Moscow Arts Commission Annual Report - Kathleen Burns / Lauren McCleary

6. Website Update - Jen Pfiffner

7. Paradise Creek Floodplain Study Project - Bill Belknap

The Moscow Urban Renewal Agency (MURA) has been working with a developer to potentially redevelop three properties currently addressed as 213 Spotswood, 225 Spotswood and 222 Troy Road, all located within the Legacy Crossing District Urban Renewal District and just east of the South Couplet. Through the course of completing its due diligence work, the developer identified that the subject property is located within the mapped 100 year floodplain and any new structures placed upon the property would be required to be elevated approximately three feet above current property elevation. Further examination appears to indicate that the current floodplain boundary may be the result of outdated Federal Emergency Management Agency (FEMA) map data which includes three bridge crossings that no longer exist and which previously presented an obstruction to flood waters. The MURA has completed an initial assessment and is requesting the City to advance the study to the next phase in partnership with the MURA, which has approved partial funding of the study.

PROPOSED ACTIONS: Approve City project contribution of \$5,000 from line item #101-120-10-642-40 and \$3,000 from Non-Prioritized Projects, line item 101-010-10-670-16 for Phase II of the floodplain study; or take such other action deemed appropriate.

8. Change in Meeting Schedule Due to Presidents Day - Gary J. Riedner

Due to the Presidents Day holiday falling on a Monday, per Moscow City Code Title 2, Section 2-1, the next City Council meeting is scheduled for Tuesday, February 20, 2017.

ACTION: Confirm February 20, 2017 Council meeting date.
