Accounts Payable Report for the month ending May, 2019. This was reviewed and signed by the Public Works/Finance Committee on June 10, 2019 and recommended for approval.

C. Indian Hills 9th Phase 2 Design Standard Variance - Bob Buvel

The City of Moscow executed a Development Agreement with Indian Hills Trading Company, LLC on July 31, 2018. The agreement requires the developer to construct the standard public improvements along the Myrtle Street right-of-way. The improvements are expected to be constructed by October 31, 2019. Public Works received a request from the developer for a variance from the requirement that sidewalks be installed on both sides of Myrtle Street, and that they be required to construct sidewalk along the west side only. The development agreement for Indian Hills 8th Addition included a clause allowing deferment of the Myrtle Street public improvements. Similarly, the development agreement for Indian Hills 9th Addition, executed on July 31, 2018 restated the condition. Design standards for all City streets have long required the installation of sidewalk on both sides

of the street. Staff has determined that no special conditions exist peculiar to the property that merit approval of the variance. This was reviewed by the Public Works Finance Committee on June 24, 2019 and recommended for denial.

ACTION: Deny the variance request and require Indian Hills Trading Company to install sidewalks on both sides of Myrtle Street in accordance with City standards and the development agreement.

- 5. Citizen Commission Report - Human Rights Commission – James Fry/Ken Faunce**
- 6. Ordinance to Amend Moscow City Code to comply with statutory FBI Regulations Regarding Background Check Requirements for City Licensees (ACTION ITEM) - Mia Vowels / James Fry**

Public Law 92-544 allows the Federal Bureau of Investigation (FBI) to exchange criminal history information with state or local governmental entities if required by a state statute approved by the Attorney General of the United States. Idaho State Code 67-3008 provides that any unit of the state, city or local government may submit fingerprints to the FBI for employment or licensing if required to do so by statute, regulation, city or county ordinance. The Criminal Justice Information Law Unit (CJILU) has completed its review of draft of City of Moscow Ordinance which amends Moscow City Code (MCC) Section 9-3-6 authorizing a fingerprint-based background check of applicants for a license as a peddler, solicitor, or canvasser; MCC § 9-4-5 authorizing fingerprint-based background checks of applicants for a secondhand dealer or pawnbroker license; MCC § 9-5-13 authorizing fingerprint-based background checks of applicants for a Taxicab, Pedicab, or Carriage license; MCC § 9-10-7 authorizing a fingerprint-based background checks of every applicant, license, owner, Director, staff individual 13 years of age or older residing at the premises of a daycare; and MCC § 9-11-5 authorizing a fingerprint-based background check of applicants for a vendor license. The CJILU has determined that if enacted as drafted, MCC §§ 9-3-6, 9-4-5, 9-5-13, 9-10-7 and 9-11-5 would qualify for access to FBI CHRI pursuant to Pub. L. 92-544. This was reviewed by the Administrative Committee on June 10, 2019.

PROPOSED ACTIONS: Approve the Ordinance under suspension of the rules requiring three complete and separate readings and that it be read by title and published by summary; or consider the Ordinance on first reading and that it be read by title; or reject the Ordinance; or take such other action deemed appropriate.

7. Police Services Facility Design Services Agreement (ACTION ITEM) - Bill Belknap

On May 25, 2019, Staff published a Request for Qualifications (RFQ) for professional design services for the proposed new Police Services Facility that is to be constructed following the successful May 21, 2019 general bond election. Two Statements of Qualifications (SOQs) were received in response to the RFQ. A five-member selection committee consisting of staff and a City Council representative conducted interviews of the two firms and unanimously recommended the selection of Lombard Conrad Architects (LCA) for the project. The City previously worked with LCA in the development of the 2016 Police Services Facility Master Plan in preparation for the bond election. Staff has prepared a Professional Services Agreement with associated fees for the Council's review and approval.

PROPOSED ACTIONS: Approve the proposed professional services agreement with Lombard Conrad Architects; or take other action as deemed appropriate.

8. Sanitary Sewer Service To Appaloosa Court (ACTION ITEM) - Bob Buvel / Tyler Palmer

The Appaloosa Trailer Court is located on the Old Pullman Highway outside of the Moscow city limits. The property currently contains approximately 66 mobile home spaces. The Idaho Department of Environmental Quality (DEQ) has notified the owner of the property that the septic system currently serving the trailer court is out of compliance with DEQ wastewater treatment regulations. In an effort to bring the property into compliance, the owner Mr. Rusty Olps, is proposing a plan to connect the property's sanitary sewer system to the City of Moscow's sewer system by constructing approximately 4,000 feet of sewer main across University of Idaho property. Should the City agree to serve the property, Mr. Olps is also requesting that he only be charged sanitary sewer general facility charges for only the 44 slots that are currently occupied and that the City of Moscow standard charge of double the normal monthly rates for properties outside city limits be reduced to one and a half times the monthly rate. It should be noted that Mr. Olps is not requesting annexation of the property. This was reviewed by the Public Works Finance Committee on June 24, 2019 and recommended for conditional approval per staff recommendations.

PROPOSED ACTIONS: Consider request of Rusty Olps to be allowed to connect the existing Appaloosa Mobile Home Court to the City's sanitary sewer system and provide direction on the following items: 1. Will Serve Letter: Provide direction to staff to issue a Will-Serve letter for the Appaloosa Mobile Home Court without annexation; Provide direction to issue a Will-Serve letter for the Appaloosa Mobile Home Court upon the condition of annexation; or provide staff further direction. 2. Future Property Use Restriction: Require the property owner to enter development agreement restricting the use of the proposed sewer service to that of the existing mobile home development, and that any further development or redevelopment must be approved by the City Council; provide sanitary sewer service with no restrictions; or provide staff further direction. 3. General Facilities Charges: Require the payment of General Facilities Charges (GFC) for all occupied spaces and enter into an agreement with the owner to pay the then current GFC fees at that time that any future dwelling units are installed upon the current vacant spaces; Required the owner to pay GFCs for all 66 available spaces; or provide staff further direction. 4. Monthly Sewer Service Fees: Direct staff to establish a special sewer service rate of 150% of the in-City service rates to be applied to the Appaloosa Mobile Home Court; Direct Staff to charge the current out-of-City rate of 200% of the in-City rate to the Appaloosa Mobile Home Court; or provide staff further direction.
