2. **5G in Moscow – Mike Ray and Wendy McClure**
   The City of Moscow Planning and Zoning Commission (P&Z) has been working on a draft ordinance to insert 5G regulations into the City's current telecommunications code. The city attorney (Mia Bautista) has been working on a legal opinion that will detail the City's limitations to regulate 5G based upon health effects. P&Z and SEC will discuss a unified recommendation regarding 5G that can be advanced to Council.

   ACTION: Discuss the proposed draft ordinance and legal opinion and take action as deemed appropriate.
