REGULAR AGENDA

1. Approval of the ~~March 9~~ **July 13, 2020 Administrative Public Works / Finance** Committee Minutes (ACTION ITEM) - Laurie M. Hopkins

Minutes presented for approval.

PROPOSED ACTIONS: Approve minutes, amend minutes, or provide staff further direction

2. Lot Line Adjustment at 204 First Street and 108 N Washington Street (ACTION ITEM) - Aimee Hennrich

The applicants, Donald Barker and Derek Trenholm, are requesting a lot line adjustment between two lots addressed as 204 First Street and 108 N Washington Street. The applicants are proposing to shift the common lot line which separates the two properties 1.3 feet to the north following a survey that was conducted that concluded that the garage on 204 First Street was overhanging the property line by 1.3 feet. The existing lot at 204 First Street would be increased by 81.25 square feet, resulting in a total lot size of 4,081.25 square feet and the lot at 108 N Washington Street would be reduced by 81.25 square feet, resulting in a total lot size of 3,418.75 square feet. There is currently a law office and a detached garage on 204 First Street and a single-family home and a detached garage on 108 N Washington Street. The subject properties are located within the Multiple Family Residential Zoning District (R-4), which requires a minimum lot size of 5,000 square feet and lot width of 50 feet. Both lots are currently legally non-conforming and will remain as such, however, the garage will no longer be encroaching upon the common property line.

PROPOSED ACTIONS: Recommend approval of the lot line adjustment request with no conditions; or recommend approval of the lot line adjustment request with conditions; or recommend denial of the lot line adjustment request; or provide staff further direction.

3. Parking Permit Fee Review (ACTION ITEM) - Gary J. Riedner

The price of current City Parking Permits are \$12 per day, \$30 per quarter, or \$85 per year. There are currently 155 permits authorized for sale. All permits are sold or in the process of sale, and there is a waiting list of 81 applicants.

At the City's FY2021 budget workshop, the Council expressed a desire to revisit the cost of Parking permits, and staff was directed to bring the item before the Public Works/Finance Committee on July 27, 2020.

Parking has long been perceived as an issue in the downtown area, and the matter has been studied and surveyed on several occasions in the past. Although voluminous, staff has attached

several of the background documents which were utilized by the City Council in 2009, when parking permits were consolidated to one class of permit and the price of that permit was reduced from \$375 per year to \$75 per year.

PROPOSED ACTIONS: Provide staff direction.
