5. Final Review of Small Cell Wireless Facilities Draft Ordinance [ACTION ITEM]:

Telecommunications service providers are currently in the process of deploying 5G/small cell wireless technology throughout the developed world. 5G high speed deployment will bring much higher data speeds and traffic, but requires small cell installations to accommodate the data demand. Telecommunications services are largely governed by the Federal Communications Commission (FCC) and the Telecommunications Act, but local governments are allowed to adopt certain regulations at the local level. With the likelihood of 5G/small cell deployment in Moscow, Staff has been working on drafting an ordinance to address them in the Zoning Code. The draft ordinance was presented to the Sustainable Environment Commission at their regular meeting on June 16, 2020 to discuss a unified recommendation with the Planning and Zoning Commission. The SEC voted to recommend that the Planning and Zoning Commission proceed with the current ordinance and the SEC will continue to
