3. MAC Strategic Planning - Jen Pffner, Assistant City Supervisor

Strategic Planning work to date has included development of a draft Operational Overview document, cataloging the day-to-day activities of the Arts Department and the Commission has updated and finalized the mission and values statements. Work on the history of the MAC is ongoing.

Current work includes definition of issues and opportunities. Brainstormed ideas to date have been shared for feedback from members over the past several weeks.

ACTION: Review and confirm listed issue and opportunity ideas and provide staff direction to move forward with drafting more detailed issue and opportunity statements for further review.

The topics brainstormed at the Strategic Planning meeting at the beginning of the year were shared via email. After receiving no changes, Pffner drafted statements to develop. Pffner shared a major challenge from the Farmers Market Commission's Strategic Plan to offer an example of how these opportunity statements are written; how these point out something that needs to be fixed, addressed, or is a goal for the Commission; and how these make up the action / strategies (to-dos for the Plan).

Discussion ensued regarding: what's next in the Planning process, wording in the major challenge area example and what could be added or changed and how issue statements are ways to plan for needs. The Commission came to consensus to have Pfiffner begin drafting issue statements for the Commission to review.

4. Mayor's Arts Awards

Katherine Clancy will present local artist Shelly Gilmore design for the Mayor's Arts Awards recipients. These flower vases will hold fresh flowers / water and a plaque can be added for the engraving of the award title.

ACTION: Approve the award design and commission Shelly Gilmore to create awards for each category.

Shelly Gilmore has been asked to develop custom awards for the Mayor's Arts Awards recipients. The proposed style is a custom vase that could hold flowers. A tag would be added to Shelly's design highlighting the award being received by the individual. Discussion ensued regarding making the awards larger than the prototypes presented; adding wackier found objects; the potential for pieces of the award to be kinetic; the budget for each award (including flowers) is \$100; and that each award would include a card highlighting how to care for the item.

McCleary called for a motion. Barnhart moved to accept Shelly Gilmore as the artist to create the Mayor's Arts Awards award with the Awards Planning Committee communicating feedback from the Commission to the artist. Walker seconded. Vote by Acclamation: Ayes: Five (5). Nays: None. Abstentions: One (1 - Gilmore). Motion carried.

5. ACLU Mural - ICA Grant Funds - Kathleen Burns, Arts Director

Expense funds for ACLU mural project from Idaho Commission on the Arts grant.

ACTION: Accept to spend funds or give direction to staff as needed.

The Department has been approached to help fund the ACLU mural. There is a balance in the Entry Track Funds (\$2,500) and Idaho Commission on the Arts has approved the expenditure of the funds for the mural. Burns asked for the Commission to accept the expenditure of these funds.

Walker moved to approve spending the remaining \$2,500 from the Entry Track Funds for the ACLU mural. Wikel seconded. Vote by Acclamation: Ayes: Six (6). Nays: None. Abstentions: None. Motion carried.

6. NOWPAC Volunteers Needed - Kathleen Burns, Arts Director

A volunteer is needed from the Commission members registered for the NOWPAC to assist with: Public Art Tour Bus; Door Greeters; Registration; and the ACLU Mural Launch Assistance.

ACTION: Commission members registered for the NOWPAC volunteer for each needed event.

Burns said she is asking the Commission members registered for the NOWPAC to assist with the event.

Burns reported that the Committee decided to commission a chainsaw artist. Scallorn reached out to the selected artist via message on Facebook and the artist is now in communication with City staff to develop and design a bear from the stump at East City Park for an amount not to exceed \$1,000. This total would include lodging, food, design, and creation of the bear.

Before Burns retires she will meet with individuals on the C and Main project so the project can continue to be developed.

Lighting pole substrates have been approved to replace the basalt plinths at the HIRC. These will be a darker color than gray concrete and will address the failing basalt supports used by the artist when the work was installed.

Walker reported that the University of Idaho Retirees Association would like to promote community events and the STUFF exhibit was mentioned as something to include.
