The mission of the Moscow Arts Commission is to enrich the community by celebrating and cultivating the expression of all art forms and culture.

Values:

- Recognize and promote artists' value by creating opportunities for work to be experienced.
- Facilitate and promote the social, educational, and economic value of all art forms and culture in the community.

City Hall will be open to the public during the Commission meeting and anyone wanting to attend or speak during the public comment item, should go to the Arts Office on the first floor. The meeting is subject to social distancing protocols as recommended in Governor Little's Stay Healthy Guidelines, so the number of attendees at any one time may be limited, and masks will be required of attendees. - 1—University of Idaho Art + Architecture Faculty Member
- 1—University of Idaho Facilities Staff Member
- 1—Moscow Arts Commission Member

Non-voting Members:

- Arts Program Manager (Selection Panel facilitator)
- City staff members acting in a technical advisory capacity

PROPOSED ACTION: Select individuals to serve on the 2021 ITC Sculpture Garden Selection Panel or take such other action deemed appropriate.

8. Intermodal Transit Center Sculpture Garden Plinth Re-Assignment (ACTION ITEM)

From 2013 – 2021, the ITC Sculpture Garden has hosted temporary installations of three-dimensional artworks that are installed for up to one year. There are five plinths in that location, each of which are filled following an RFP process and selection by a panel of community members. Each artist is paid an honorarium for the loan of their artwork. This program has traditionally served the UI student artist population. The recent offer of a donation to support the accession of an artwork into the Permanent Collection has prompted a re-envisioning of this program, with the current proposal to re-assign one of the plinths as a permanent location for the artwork to be funded by the donor's contribution. This shift would result in four plinths being available for the annual call to artists.

PROPOSED ACTION: Re-assign one plinth in the ITC Sculpture Garden to support a new work in the Permanent Collection or take such other action deemed appropriate.
