Presentation of minutes for approval.

PROPOSED ACTIONS: Approve minutes as presented; approve minutes with amendments; or provide staff further direction.

2. Public Comment

Members of the public may speak to the Commission regarding matters NOT on the agenda or currently pending before the Commission. Please state your name and city of residence for the record and limit your remarks to three (3) minutes.

3. Commission Communications

4. Sustainable Environment Commission's Climate Action Working Group Climate Change Impacts Assessment (ACTION ITEM) – Mary Dupree

The City of Moscow Sustainable Environment Commission's Climate Action Working Group (CAWG) has prepared a Climate Change Impacts Assessment for the City of Moscow. The CAWG would like to present this information to the members of the Transportation Commission and discuss its findings and gather the suggestions of the Transportation Commission as the city moves forward to formulate mitigation and adaptation strategies.

PROPOSED ACTION: Receive report and provide recommendations as deemed appropriate.

5. Continued Discussion Regarding E-bike and E-Scooter Policy Development (ACTION ITEM) – Bill Belknap

Last winter, the Commission conducted a review of the relevant State of Idaho and City statutes and regulations pertaining to electric assist bicycle and electric scooters in light of the recent increase in use of these devices within the community. The Commission developed general framework for the use of E-Scooters which is currently under development and review by the City Attorney's office. The City recently received requests from two vendors to deploy E-Scooters within Moscow and Staff will provide a report and update to the Commission.

PROPOSED ACTION: Receive report and provide recommendations as deemed appropriate.

6. Neighborhood Traffic Calming Device Policy Development (ACTION ITEM) – Bill Belknap

At the Commission's January 14th meeting, the Commission discussed the possible creation of a neighborhood traffic calming device policy to be utilized in the evaluation of traffic calming requests within
