On April 8th of this year, City Staff received a request from Rich Beebe, representative of BBC LLC, owner of 232 acres located to the south of the City's playfield property located on W. Palouse River Drive, requesting the City's financial participation in the construction of the extension of Conestoga Road and the accompanying bridge construction as it provides mutual benefit to both parties. The total cost of the construction of the roadway, bridge and attendant utilities to the southerly boundary of the City's property is estimated at \$2,372,062. Staff will present information on the history of the City's property and prior proposed playfield development of the property for the Council's consideration.

PROPOSED ACTIONS: Review request and provide Staff direction.

3. Acceptance of the Southview Extension Right-of-way Dedication (ACTION ITEM) - Bob Buvel
