REGULAR AGENDA

1. Approval of August 5, 2021 Minutes (ACTION ITEM)

Presentation of minutes for approval.

Force moved for approval of the minutes as corrected, seconded by Pitman. Vote by Acclamation; Ayes: Unanimous (5). Nays: None. Abstentions: None. Motion carried.

2. Sustainable Environment Commission Discussion (ACTION ITEM)

There was discussion about the questions proposed by the Sustainable Environment Commission (SEC) and support for the recommended climate mitigation actions, especially building and energy code modifications, programs that incentivize actions to reduce the impact of climate change as they relate to the housing sector, and creating mixed use developments. The biggest challenge to climate change mitigation strategies would be the execution and education of the plan. The Commission agreed that Staff would draft a statement in response to the SEC regarding their conclusions.

3. Assessment of Fair Housing Survey Questions (ACTION ITEM)

There was discussion about the draft survey and a few minor modifications were proposed. The final draft and approval agenda item will be at the next meeting, after Staff makes the requested edits.

REPORTS

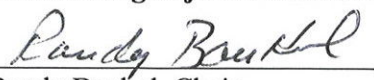

Staff worked with Idaho Fair Housing Council (IFHC) on the upcoming annual training, regarding "Basics of Fair Housing" and other "Hot Topics" to be held virtually.
