3:00 PM

**Council Chambers
206 E. Third St.**

The Moscow Mayor, City Council and Staff welcome you to today's meeting. We appreciate and encourage public participation. For regular agenda items, an opportunity for public comment is sometimes provided after the staff report. However, the formality of procedures varies with the purpose and subject of the agenda item and limitations may be placed on the time allowed for comments. If you plan to address the Committee, you will find a list of "Tips for Addressing the Council" in the door pocket outside the City Council Chambers. Please note that Committee meetings are televised, videotaped and/or recorded. Links to view the Committee meeting live can be found on the City website, YouTube, Facebook and Spectrum Cable 1301. Thank you for your interest in City government.

REGULAR AGENDA

1. Approval of Public Works/Finance Committee March 14, 2022 Minutes (ACTION ITEM) - Laurie M. Hopkins

2. Consideration of Janitorial Services Bid Results (ACTION ITEM) – David Schott

The City published an invitation to bid for custodial services for certain City buildings on February 19, 2022 and February 26, 2022. In addition to the published invitation to bid, seven (7) custodial services were sent the invitation to bid. Moreover, the invitation to bid was posted on the City website. Bid opening for custodial services took place on March 9, 2022, at which time two (2) bids were received. The Garson Group, LLC was the low bidder for Module #1, Module #2, Module #3, Module #5, and Module #6 in the amount of \$315,600 for the three (3) year proposed agreement from October 1, 2022 through September 30, 2025. EVCAR, Inc. dba Service Master Building Maintenance was the low bidder for Module #4 in the amount of \$30,847.56 for the three (3) year proposed agreement from October 1, 2022 through September 30, 2025.

PROPOSED ACTIONS: Recommend acceptance of the low bid from The Garson Group, LLC for Module #1, Module #2, Module #3, Module #5, and Module #6 in the amount of \$315,600 and recommend acceptance of the low bid from EVCAR, Inc. dba Service Master Building Maintenance in the amount of \$30,847.56 for Module #4; or provide staff with further direction.

3. Moscow Renaissance Fair Beer and Wine Garden Request (ACTION ITEM) – David Schott

Moscow Renaissance Fair is requesting that the City Council approve a Resolution allowing them to have a beer and wine garden provided by a licensed vendor in East City Park for Moscow Renaissance Fair 2022, between the hours of 11:00 a.m. and 7:30 p.m. local time on April 30, 2022, and 11:00 a.m. and 5:00 p.m. local time on May 1, 2022. The event is open to the public and is the first beer and wine garden request from Moscow Renaissance Fair. The location of the beer garden is located northeast of the stage at the north end of the asphalt. The Moscow Police Department has reviewed the request and require two (2) security personnel on site during the permitted event as described in the proposed Resolution. No City police officers are required.

PROPOSED ACTIONS: Recommend approval of the Resolution authorizing the beer and wine garden request for Moscow Renaissance Fair 2022; or provide staff with further direction.

4. Earth Day Celebration Beer and Wine Garden Request (ACTION ITEM) – David Schott

Inland North Waste is requesting that the City Council approve a Resolution allowing them to have a beer and wine garden provided by a licensed vendor in East City Park for Earth Day 2022, between the hours of 4:00 p.m. and 7:00 p.m. local time on April 22, 2022. The event is open to the public and is the first beer and wine garden request from Inland North Waste. The location of the beer garden is located to the southwest of the stage. The Moscow Police Department has reviewed the request and require two (2) security personnel on site during the permitted event as described in the proposed Resolution. No City police officers are required.

PROPOSED ACTIONS: Recommend approval of the Resolution authorizing the beer and wine garden request for Earth Day 2022; or provide staff with further direction.

5. KN 13014; Mountain View Rd - Professional Services Agreement for Construction Engineering and Inspection (ACTION ITEM) - Scott Bontrager

The Idaho Transportation Department (ITD), through the Local Highway Technical Assistance Council (LHTAC), funded a federal-aid project for FY2022 to improve a segment of Mountain View Road from Sixth St to Joseph St. The construction contract for the project was awarded by the Idaho Transportation Board last December to Western Construction of Lewiston, Idaho in the amount of \$2,188,016.60. A request for qualifications was issued by ITD for construction engineering and inspection on December 1, 2021, and one qualified engineering firm responded by the December 14th deadline. A five-person panel (two LHTAC engineers and three City Staff) independently rated the statement of qualification and a consensus was reached on the selection of J-U-B Engineers, Inc. The professional services agreement between the City of Moscow and J-U-B Engineers, Inc. was negotiated on Tuesday, March 1, 2022 in the amount of \$247,167.00. This amount equates to 11.3% of the construction contract amount, which both the LHTAC and City Staff deem reasonable for contract administration and construction inspection on a federal-aid project of this complexity. The agreement has been reviewed and approved by the City Attorney.

PROPOSED ACTIONS: Recommend approval of the Professional Services Agreement with J-U-B Engineers, Inc., or provide staff further direction.

6. Reaffirm Fair Housing Resolution No. 2021 - 06 and Fair Housing Proclamation (ACTION ITEM) - Alisa Anderson

As an Idaho Department of Commerce, Idaho Community Development Block Grant (CDBG) Grantee, the City is required to follow practices and obligations to Affirmatively Further Fair Housing in Moscow. As a Grantee receiving CDBG funding, the City must certify they will take actions to Affirmatively Further Fair Housing, including issuing a proclamation declaring April as Fair Housing Month and adoption of a resolution to this effect.

PROPOSED ACTIONS: Recommend reaffirming Fair Housing Resolution No. 2021-06 and approval of the 2022 Fair Housing Proclamation; or take other action deemed appropriate.

7. Child Pedestrian Safety Grant Award (ACTION ITEM) - Nate Suhr / Alisa Anderson

In 2021, the Local Highway Technical Assistance Council (LHTAC), a State organization, announced a new round of grant funding under the Children Pedestrian Safety (CPS) Program. This program requested shovel ready projects with a maximum award set at \$250,000. City staff identified the area around Moscow Middle School as an excellent candidate for the grant and submitted an application in December 2021. The project includes pedestrian improvements at the intersection of 'D' Street and Mountain View Road and the intersection of 'B' Street and Cleveland Street.

On February 23, 2022, the City was notified the request ranked 5th out of 50 applications and was recommended for approval. The attached agreement outlines the conditions of the award.

PROPOSED ACTIONS: Recommend approval to execute the LHTAC/Local Agreement - 2021 Children Pedestrian Safety (CPS) Program Mountain View Corridor, City of Moscow, CPS#5; or provide staff further direction.

8. Transportation Alternatives Program South Main Pedestrian Underpass State/Local Agreement (ACTION ITEM) - Nate Suhr / Alisa Anderson

In 2018, the City and the Moscow Urban Renewal Agency (MURA) jointly funded a study to assess the feasibility of the construction of a pedestrian underpass on South Main/U.S. 95 just south of the US Hwy. 95/S.H. 8 intersection. In February of 2020, the City applied for a Transportation Alternatives Program (TAP) grant administered by the Idaho Transportation Department (ITD). On March 18, 2020, ITD announced the City received a notification of award to receive federal funding of \$499,644 for the project. The awarded project will construct a bike/pedestrian underpass in the existing stream banks of Paradise Creek at the US Hwy. 95 crossing. The underpass will allow pedestrians and bicyclists to cross under US Hwy. 95 on a new Paradise Path connection without needing to cross US Hwy. 95, disrupting traffic flow on a busy section of the highway. The underpass will significantly improve pedestrian connectivity and safety and be constructed similar to the recently completed Styner/White underpass on Hwy. 8. The new path extension will be 710 feet long and 10 feet wide connecting to an existing route on Paradise Path leading to the Intermodal Transit Center, University of Idaho campus with adjacent connections to Gritman Medical Center, student housing and downtown Moscow. The project is scheduled to be designed in 2022 and construction during the summer of 2023.

PROPOSED ACTIONS: Recommend approval to execute State/Local Agreement (Design and Construction)Project No. A022(943) Key 22943 US-Highway 95 Pedestrian Underpass and the corresponding Resolution; or provide staff further direction.
