2. 1105 & 1121 West A St Lot Line Adjustment - Leah Carlson

The owner of University Village Apartments is proposing a lot line adjustment between two parcels located at 1105 and 1121 West 'A' Street. Parcel B, which currently has two multi-family apartment buildings constructed upon it, is proposed to be reduced from 46,040 square feet to 40,740 square feet in size and Parcel C is proposed to be expanded from 9,777 square feet to 15,077 square feet. The purpose of the lot line adjustment is to accommodate future development on Parcel C. A proposed access easement will provide access to Parcels B and C from West A St, utilizing an existing approach.

3. Dog Park Grounds And Drainage Rehabilitation Project - David Schott

The Parks and Recreation Department is requesting authorization to retain Hodge and Associates for design services to incorporate surfacing, drainage, and an estimate of construction costs for Dog Park Grounds and Drainage Rehabilitation Project at a cost of \$6,985. The budgetary line item for the expense will be Parks and Recreation, Parks Professional Services 120-165-

30-642-10.

The one acre dog park is located on White Avenue next to the Humane Society of the Palouse. The grand opening of the dog park was held on July 17, 2001. Over the years, the majority of the turf has degraded due to continuing overuse, and is unrepairable in its present condition. As a result, the area becomes very muddy and basically unusable during the rainy season.

Design services will include an evaluation of the area, surfacing, drainage, grading, construction drawings, and an estimate of construction costs to mitigate the muddy conditions of the dog park.

PROPOSED ACTIONS: Recommend authorization to retain Hodge and Associates for design services to incorporate surfacing, drainage, and an estimate of construction costs for Dog Park Grounds and Drainage Rehabilitation Project at a cost of \$6,985 or provide staff further direction.
