4. Pride Festival / March

Volunteers are needed for the HRC table at the festival. The march, led by Faunce, will begin at the post office and end at East City Park. Marchers and band members will need to stay on the sidewalk and off the street and private yards. A permit has been applied for.

5. Inclusive Community Month

- Kenworthy Movie – provided by the Moscow Film Society and will have a “belonging theme.”

6. Moscow High School Human Rights Conference

The MHS Human Rights Conference is on hiatus. The high school's Human Rights Club is transitioning and may merge with the Environmental Club. Jones has graduated and will be attending college out of state. He has asked to be removed from the roster.

There was no report.

8. Reproductive Rights and Human Rights

The topic of reproductive rights was included in Regular Agenda Item #4 above.

9. Mental Health Crisis Team

Currently waiting on the State to see the outcome of a Mental Health Crisis Team. Fry explained that Health & Welfare used to have a person in place who attended briefings at the police department but that is no longer the case. The State performs evaluations on mental crisis holds at Gritman Medical Center and decides if an individual can be released or they need inpatient care at a state hospital. That is the end of the State's involvement. Doug Olps, who will be employed by CHAS, may be willing to attend police department briefings and become more involved. Stevens asked if the City could employ a Mental Health Social Worker to bridge the current gap. The Mayor, City Supervisor and City Council would need to be part of that conversation. Davis will approach the issue / idea of a private city social worker at the next City Council meeting.

10. Event Publicity

Roberts will send out the publicity for upcoming events.

11. Report on Hate Incidents/Moscow as an Inclusive Community

Faunce mentioned that out-of-town visitors at the HRC table at Farmers Market applauded our City's inclusiveness.
