Each year the Parks and Recreation Commission meets on the first Thursday of December for the combined November and December meeting that fall near the Thanksgiving and Christmas holidays. However, many Commission members would like to attend the Light up the Season Parade. Over the past few years, the parade has been on the first Thursday of December. With this being the case, the commission will discuss a recurring combination meeting for November and December the second Thursday of December. The Commission will decide: 1) the 2023 meeting schedule, December 14, 2023 and; 2) Whether or not to make this their standard schedule for the future.

PROPOSED ACTIONS: Approve the second Thursday of December as the combined meeting for November and December and to make this part of standard schedule for future; or provide staff with further direction.
