ANNOUNCEMENTS

REGULAR AGENDA

1. Approval of Parks and Recreation Commission January 25, 2024 Minutes (ACTION ITEM) – Cat Harner

Presentation of minutes for approval.

PROPOSED ACTIONS: Approve minutes as presented; approve minutes with amendments; or provide staff further direction.

2. Public Comment and Response to Previous Comments (limited to 15 minutes)

Members of the public may speak to the Commission regarding matters NOT on the agenda or currently pending before the Commission. Please state your name and city of residence for the record and limit your remarks to three (3) minutes.

3. Consideration of the Revised Wildrose Court Subdivision Preliminary Plat (ACTION ITEM) – David Schott

On October 11, 2022, the Moscow Pathways Commission considered a proposed pathway within the Wildrose Court Subdivision preliminary plat. At that time, the Pathways Commission was supportive but did not offer a recommendation to the Parks and Recreation Commission but rather instructed staff to voice commission concerns to the Parks and Recreation Commission. The Parks and Recreation Commission recommended approval during their October 27, 2022 meeting. Ultimately, the Parks and Recreation Commission will make a recommendation to City Council for parkland dedication matters under Moscow City Code.

Since then, the subdivision plat proposal has changed significantly with the number of lots and the location of the proposed pathway. In the current configuration, there are sixteen (16) lots rather than the five (5) lots originally proposed. Based on the subdivision plat with R-2 zoning, the parkland dedication requirement would be 3,177 square feet or \$985 for in lieu fees. The proposed pathway corridor is twenty (20) feet wide and 3,202 square feet. This exceeds the parkland dedication requirement by 25 square feet.

With the current alignment, the proposed pathway would connect into the existing pathway terminating at Hampton Court. This will connect the Wildrose Court Subdivision to the Southgate Third Addition Subdivision.

The Moscow Pathways Commission recommended approval during their February 13, 2024 regular meeting.

PROPOSED ACTIONS: Recommend approval of the parkland dedication proposal for the Wildrose Court subdivision; or take other action deemed appropriate.
