ANNOUNCEMENTS

REGULAR AGENDA

1. Approval of Pathways Commission July 9, 2024 Minutes (ACTION ITEM) – Tanya Denison

Presentation of minutes for approval.

PROPOSED ACTIONS: Approve minutes as presented; approve minutes with amendments; or provide staff further direction.

2. Public Comment and Response to Previous Comments (limited to 15 minutes)

Members of the public may speak to the Commission regarding matters NOT on the agenda or currently pending before the Commission. Please state your name and city of residence for the record and limit your remarks to three (3) minutes.

3. Consideration of the Annual Fall Pedestrian Tour (ACTION ITEM) – Tanya Denison / David Schott

Each fall the Pathways Commission conducts a pedestrian tour to showcase a portion of the pathway system. The commission selected October 8, 2024 for the annual pedestrian tour. However, the staff liaison has a work scheduling conflict on October 8th and will be out of town. The Pathways Commission will discuss and determine an alternate date for the annual pedestrian tour. Details of the tour will be promoted at the September 14, 2024 Farmers Market.

The tour route approved at the July 9th meeting begins at the Kiwanis Park picnic shelter. The tour will highlight the pathways connections and improvements to enhance child safety for the two schools in the area, McDonald Elementary and the Moscow Charter School. The tour will also highlight the resurfaced pathway adjacent to Paradise Creek of Olympus.

PROPOSED ACTIONS: Approve the alternate date and time of the annual pedestrian tour; or take other action deemed appropriate.

4. Consideration of the Monthly City of Moscow Billing Newsletter (ACTION ITEM) – Tanya Denison / Erin Bacon / David Schott

Each month the City of Moscow sends an information bulletin in the monthly utility bills. This is a one-page, two-sided bulletin is an opportunity for City Departments and Commissions to pass along information. The Pathways Commission will discuss content based on the outcome of Item

#3 contained herein. Additional information approved at the July 9, 2024 meeting included a portion to educate the public on sidewalks versus pathways.

PROPOSED ACTIONS: Approve the general content and key points and instruct staff to draft the submittal to the utility billing newsletter; or take other action deemed appropriate.
