REGULAR AGENDA

1. Reading of the Mission Statement

The mission of the Moscow Arts Commission is to enrich the community by celebrating and cultivating the expression of all forms of art and culture. Fulfillment of this purpose shall be based upon the following values:

- Recognition and promotion of artists' value by creating opportunities for work to be experienced.
- Facilitation and promotion of the social, educational, and economic value of all forms of art and culture in the community.
- Performance of leadership, collaboration, and outreach in the conversation between all forms of art and culture with partner agencies, city leaders, and the community.

2. Approval of Moscow Arts Commission November 12, 2024 Minutes (ACTION ITEM)

PROPOSED ACTION: Approve minutes, amend minutes, or take such other action deemed appropriate.

3. Public Comment and Response to Previous Comments (limited to 10 minutes)

Members of the public may speak to the Commission regarding matters NOT on the agenda or currently pending before the Commission. Please state your name and address for the record and limit your remarks to three (3) minutes.

4. Public Art Site Opportunities (ACTION ITEM)

The City is in the process of designing and constructing two Capital Improvement Projects (CIP) that will generate 1% for the Arts funds. At the November 12 meeting, the MAC discussed the merits of installing public art at the City Shop and/or the East City Park stage based on the site selection parameters stated in the 2021 Public Art Guidelines:

- a. The site is publicly accessible at reasonable times, allowing for contemplation and interaction between the public and the work of art;
- b. The site is on public property or property managed or controlled by the City;
- c. The site suggests art opportunities that would extend the breadth, vitality, and quality of Moscow's public art program;
- d. The art is likely to enhance the cultural experience of the space and contribute to the visual interest of the area;
- e. The site falls within the prominent paths of circulation (e.g., an entry point, transit corridor, or plaza area), or is near a place of congregation (e.g., park, transportation center, entertainment or retail center) in order to reach a significant portion of the population;

- f. The site meets the conditions necessary to receive public art funding or grant funding; and
- g. The site has been identified and prioritized in the most recently-updated Public Art Master Plan.

If an art project is not deemed a suitable fit given the CIP scope, location, or timing, the one percent (1%) funds will be transferred into the future art(s) project fund for future use. The MAC is invited to recommend one, both, or neither of the sites to City Council for public art project consideration.

PROPOSED ACTIONS: Recommend the new East City Park stage or new City Shop for public art installation, recommend both sites, or recommend that no public art investment be made at either site.

5. Artwalk Participant Survey (DISCUSSION)

At the November 12 meeting, the MAC discussed potential questions for a survey of Artwalk hosts, artists, and audience members. Staff has created a draft of the questions for the MAC to review and discuss proposed revisions.
