REGULAR AGENDA

1. Approval of Pathways Commission September 10, 2024 Minutes (ACTION ITEM) – Tanya Denison

Presentation of minutes for approval.

PROPOSED ACTIONS: Approve minutes as presented; approve minutes with amendments; or provide staff further direction.

2. Public Comment and Response to Previous Comments (limited to 15 minutes)

Members of the public may speak to the Commission regarding matters NOT on the agenda or currently pending before the Commission. Please state your name and city of residence for the record and limit your remarks to three (3) minutes.

3. Consideration of the Moscow Pathways Commission Dissolution (ACTION ITEM) – David Schott / Tyler Palmer

Over the past several months, the Moscow Pathways Commission has encountered challenges in identifying meaningful topics for discussion during our regularly scheduled meetings. With no major pathway improvement projects on the horizon, there has been a notable lack of substantive discussions specific to our commission's focus.

Despite this, the Moscow Pathways Commission has made efforts to engage the public through events such as the Annual Bike Tour, Annual Pedestrian Tour, and Bike to Work Day. Unfortunately, attendance at these events has been low, both from the public and commission members.

Should relevant topics arise where the expertise of the Pathways Commission might prove valuable, we encourage the Parks and Recreation Commission and/or the Transportation Commission to form a project-specific task force.

PROPOSED ACTIONS: Approve dissolution of the Moscow Pathways Commission.
