**Council Chambers
206 E. Third St.**

The Moscow Mayor, City Council and Staff welcome you to tonight's Council workshop meeting. This meeting is open to the public and we appreciate and encourage public attendance. Workshops are generally less formal Council meetings held for the purpose of discussion of a specific topic or issue and where the Council will not take any official action on that matter. Public comment is generally not accepted during Council workshops unless specifically noticed on the agenda. If the agenda states that public comment will be accepted and you plan to address the Council, you will find a list of "Tips for Addressing the Council" in the door pocket outside the City Council Chambers. Thank you for your interest in City government.
