**3. Consideration of the Parks and Recreation Commission Capital Improvement Ad Hoc Committee Formation (ACTION ITEM) – David Schott**

The Parks and Recreation Commission has expressed interest in creating an ad hoc committee to review, evaluate, and create recommendations on relevant portions of the City of Moscow Capital Improvement Plan (CIP). If approved, the ad hoc committee would be task specific and terminate after the task is complete. Any recommendations from the ad hoc committee would be brought back to the full commission for consideration during a regular Parks and Recreation Commission meeting.

The ad hoc committee, consisting of three active Parks and Recreation Commission members, will be required to follow Idaho Open Meeting Laws. It is anticipated that the ad hoc committee will meet monthly beginning in 2026 and terminate by October 2026 when CIP submittals and updates are due from staff.

The commission will also discuss and appoint three sitting members of the Parks and Recreation Commission to serve on the ad hoc committee.

**PROPOSED ACTIONS:** Approve the creation of the Parks and Recreation Commission Capital Improvement Ad Hoc Committee formation and appoint three Parks and Recreation Commission sitting members; or provide staff with further instructions.
