---

The Moscow Mayor, City Council and Staff welcome you to tonight's meeting. This meeting is open to the public. We appreciate and encourage public participation. For regular agenda items, an opportunity for public comment is sometimes provided after the staff report. However, the formality of procedures varies with the purpose and subject of the agenda item; therefore, the Mayor may exercise discretion in deciding when to allow public comment during the course of the proceedings and limitations may be placed on the time allowed for comments. Citizens wishing to comment on business that is not on the agenda will be provided the opportunity to do so during the public comment item on the agenda. If you plan to address the Council, you will find a list of "Tips for Addressing the Council" in the door pocket outside the City Council Chambers. Please note that Moscow City Council meetings are televised, videotaped and/or recorded. Links to view the City Council meeting live can be found on the City website and the City's YouTube channel. Thank you for your interest in City government.

## PLEDGE OF ALLEGIANCE

## CONSENT AGENDA

### 1. All Consent Items (ACTION ITEM)

#### A. Approval of Moscow City Council February 2, 2026 Minutes - Laurie M. Hopkins

#### B. Disbursement Report January 2026 - Sarah Decker

Staff presented the January 2026 Accounts Payable Report to the Public Works / Finance Committee on February 9th, 2026. The Committee received the report and recommended approval of the disbursement report.

**ACTION:** Accept the Disbursements Report for the month of January 2026.

#### C. Approval of Payment of Claims - Sarah Decker

#### D. Southeast Moscow Water and Sewer District Service Agreement Extension - Bill Belkna

The City of Moscow accepts and treats wastewater from the Southeast Moscow Water and Sewer District through an agreement between the District and City. The District was formed in 1974 as an independent Water and Sewer District. It is located on the southeast corner of Moscow, and comprises primarily of residential properties, the majority of which are located outside City-Limits, in Latah County. The District has contracted with the City for sewage conveyance and disposal services since October of 1980. The long-standing agreement allows properties in the District to connect to City facilities. Similarly, it allows the conveyance of wastewater through the District from properties located outside its boundaries. The current agreement will expire March 1, 2026. The City and District have been engaged in agreement renewal discussions for almost two years and have now reached a general agreement on revisions to the existing agreement terms. However, the new agreement will not be prepared and adopted prior to the

expiration of the existing agreement. The City has prepared an agreement to extend the existing agreement to December 31, 2026, to allow time to finalize the agreement and have it approved by both bodies. This was reviewed by the Public Works/Finance Committee on February 9, 2026, and recommended for approval.

**ACTIONS:** Approve the extension agreement with the Southeast Moscow Water and Sewer District.

**E. Verizon Wireless Communications Facility Lease Agreement - Bill Belknap**

The City of Moscow leases space on the City's water reservoirs to wireless communications providers. In 2004, the City entered into a lease agreement with Cellco Partnership (dba Verizon Wireless) to lease space on the Jim Lyle Rotary Park water reservoir and to build the joint restroom/equipment structure that exists in the park. That agreement spanned 25 years and will end in 2029. Verizon Wireless has expressed the desire to renew and extend the lease agreement. Staff has prepared a new lease agreement that would renew the lease for up to another 25 years with an initial term of 5 years and five additional 5-year renewal terms. At the end of the current lease term in 2029, the lease fees would be increased to the City's existing lease rate of \$15,600 per year to \$35,420.40 per year with 3% annual escalator each year thereafter. The lease agreement is before the Council for consideration. This was reviewed by the Public Works/Finance Committee on February 9, 2026, and recommended for approval.

**ACTION:** Approve the lease agreement.

**F. Selective Traffic Enforcement Program – Grant Application - Alisa Anderson**

The Moscow Police Department (MPD) is requesting participation in the national Selective Traffic Enforcement Program (STEP), sponsored by the Idaho Transportation Department (ITD) Office of Highway Safety (OHS). The program aims to reduce traffic crashes resulting in fatalities and serious injuries. Through problem identification, participating agencies focus on addressing specific behaviors and safety deficiencies within their jurisdictions. MPD is requesting to submit a grant application due on February 27, 2026, in an amount not to exceed \$75,000 with an in-kind match of \$18,750 for FY2027. This was reviewed by the Public Works/Finance Committee on February 9, 2026, and recommended for approval.

**ACTION:** Approval for the Moscow Police Department to apply for the Selective Traffic Enforcement Program, requesting grant funding assistance not to exceed \$75,000, with an in-kind match of \$18,750 for FY2027.

**REGULAR AGENDA**

**2. Mayors Appointments (ACTION ITEM)**

**3. Public Comment (limit 15 minutes)**

**4. Citizen Commission Report**

**5. PUBLIC HEARING: Moser Extension Right-of-Way Vacation Request (ACTION ITEM) - Bob Buvel**

On October 15, 2025, the City received a letter requesting the vacation of portions of the right-of-way (ROW) located within the currently undeveloped portion of the Pine View Addition to the City. The request was made by Pam and Joe Jucsen, who are the owners of the Pine View Addition. Pam and Joe Jucsen are proposing to plat the area which requires the vacation of an extension of Moser Street which is located within the plat area. According to Pam and Joe Jucsen, the proposed vacation is to provide wider street right-of-way within the Pine View

Addition. A vicinity map of the proposed vacation area is shown on the Notice of Public Hearing attached herein. The notice of the hearing was advertised in the newspaper of record and mailed to properties within 300 feet of the subject ROW and all franchise and other utility providers were also provided notice.

**PROPOSED ACTIONS:** Conduct the public hearing and upon consideration of any testimony received, approve the vacation request by adoption of the Ordinance under suspension of the rules requiring three complete and separate readings and that the ordinance be read by title and published by summary; or consider the Ordinance on first reading; or deny the vacation request; or take such other action deemed appropriate.

**6. Public Transportation Services Agreement with Regional Public Transportation (dba SMART Transit) (ACTION ITEM) - Bill Belknap**

For over 20 years, the City of Moscow has provided financial support to Regional Public Transportation (RPT) (dba SMART Transit) for the provision of public transit services in Moscow, including fixed route and on-demand (dial-a-ride) services. During that time period, the City has never had a formal agreement with RPT for these services. Staff have prepared an agreement with RPT to document the services the City receives in exchange for the annual financial support. The agreement includes a five year term with annual financial support in the amount of \$140,329 per year with a 1% annual escalator. The University of Idaho provides equal annual financial support to RPT to fund public transit services to the students, faculty, and staff in the community. The agreement is before the Council for consideration. This was reviewed by the Public Works/Finance Committee on February 9, 2026, and recommended for approval.

**PROPOSED ACTIONS:** Approve the public transit services agreement with Regional Public Transportation, or provide staff further direction.

**7. BUILD Grant Local Match Commitment Resolution (ACTION ITEM) - Bill Belknap**

Whitman County has been actively working to advance improvements to Sand Road and Kirkendahl Road to provide an alternative east-west route for freight traffic to utilize to reduce traffic within downtown Pullman. This improvement would also benefit Moscow by reducing freight traffic in downtown Moscow. This route was studied in the recent Pullman-Whitman County Freight Alternatives Study completed by the Palouse Regional Transportation Planning Organization. Whitman County would like to apply for a Federal BUILD grant to complete the design and engineering for the project. As envisioned in the study, the project would begin at the Mountain View/Highway 8 intersection with the installation of a signal and continue south and then west with improvements to Mountain View Road and Palouse River Drive continuing west to U.S. Highway 195. On September 15, 2025, the Council approved a Memorandum of Understanding with Whitman County to jointly fund consultant services for the preparation of the BUILD grant application. The total estimated planning and design cost, inclusive of WSDOT Local Programs and Local Highway Technical Assistance Council administration, is \$2.53 million, of which \$1.1 million is attributable to improvements within the City of Moscow. Within the draft application, the City and Whitman County are proposing a 10% match commitment toward these costs, which would be \$110,000 for the City. Staff has prepared a resolution to affirm this match contribution should the grant be awarded. The match funding would come from the Capital Project fund accumulations. This was reviewed by the Public Works/Finance Committee on February 9, 2026, and recommended for approval.

**PROPOSED ACTIONS:** Approve the match commitment resolution, or provide staff further direction.
