REGULAR AGENDA

1. Review City Shop Mural Submissions

The Selection Panel is invited to review and discuss finalist designs located in this online Submittable gallery:

Submissions will be considered according to criteria published in the project RFQ. Discussion may include the identification of a recommended artist and design for installation. Following a majority vote by the Selection Panel to recommend an artist and design, staff will forward the recommendation to the Moscow Arts Commission (MAC) and if the MAC votes to recommend the artist and design, staff will present the MAC's recommendation to City Council. Following approval of an artist and design, staff will coordinate artist contracts, honoraria, and communications.

PROPOSED ACTION: Recommend an artist and design for installation, or take such other action deemed appropriate.
