Call to order

1. Approval of minutes from March 27, 2019 [ACTION ITEM]

ACTION: Approve minutes as presented; approve minutes with amendments; or provide staff further direction.

2. Public Comment

(Time limit 15 minutes. Members of the Public may speak to the Commission regarding matters NOT on the Agenda nor currently pending before the Planning and Zoning Commission. Please state your name and address for the record and limit your remarks to three minutes.)

3. Educational Services within the Central Business District

During the Zoning Code update that was approved by the City Council on May 21, 2018, questions were raised by the Council regarding the allowance of Educational Institutions (colleges and universities) within the Central Business Zoning District (CBZD). The City Council approved the Zoning Code amendment at the time, but requested that the Moscow City Council Administrative Committee of the City Council continue the discussion regarding the allowance of educational uses within the CBZD. On August 20, 2018, City Council provided direction to staff to develop a survey for the community and property owners and businesses operating within the CBZD. A survey instrument was then prepared which contained questions designed to gauge the perceptions of the community and property owners and businesses operating within the CBZD in regards to a) current public/private universities and colleges in the CBZD and b) additional or expanded public/private universities and colleges in the CBZD. The survey was then sent out in the fall of 2018 to CBZD property and business owners as well as a random sample of the community. The results of the survey were then discussed at the City Council meeting on April 1, 2019 and the Council then directed the Planning and Zoning Commission to prepare an ordinance which would prohibit additional or expanded universities and colleges in the CBZD.

ACTION: Review the Educational Uses in the Central Business District Survey, the Council's direction, and the changes to the Zoning Code that would prohibit additional or expanded universities and colleges in CBZD.

4. Review of Proposed Changes to the Mobile Home and RV Park Ordinances [ACTION ITEM]

The Commission has been discussing amending the Mobile Home and RV Park Ordinances in order to remove the 6-month stay limitation for RVs and allow modular buildings within mobile home parks. After review of the existing mobile home park ordinances, it was determined that the codes should be updated to be consistent with Idaho State Code.

ACTION: Review the potential changes to the Mobile Home and RV Park Ordinances and provide Staff further direction as deemed necessary.

5. Subdivision Code Review [ACTION ITEM]

The Commission has been discussing cluster and traditional subdivision concepts which could have maximum net density limitations. The Commission reviewed existing subdivisions of varying density throughout the City at the last meeting to better understand the proposed density requirements. The Commission will now review the incorporated cluster and traditional subdivision sections within the proposed subdivision code.

ACTION: Review the proposed subdivision code and provide Staff further direction as deemed necessary.
