Monday

Mayor's Conference Room

July 20, 2026

6:00 PM

206 E 3rd Street

MEMBERS PRESENT: Sophie Gilbert; Tina Hilding, Nancy Cheney, Tina Hilding; Mac Cantrell

ALSO, IN ATTENDANCE: Kelli Cooper

Call to order

1. Community Solar

Group has been tasked by the SEC to develop a rough framework for what a community solar project could look like in the City. Group will discuss work completed and determine next steps

ACTION: Receive the report and provide feedback

Kelli, Tina and Mac have been working with a community action partnership (CAP) learning about their energy systems program and how the City can develop their own while the CAP would administer it.

City staff will be meeting with David (donator) on how the funding will work moving forward.

Sophie suggested asking SEC to draft a letter with an attached proposal and vote to move letter to Council. Group discussed dates that would work the best with SEC, Public Works Committee and Council.

2. Announcements/Other business

Adjourn 7:00 PM
